Alcudia

Exquisite bi-air-conditioned house, 328 m<sup>2</sup>, with 4 bedrooms and 3 bathrooms on a 7,800 m<sup>2</sup> plot, 500 m from the beach of Manresa (Mal Pas).

The house was built in 2004 from rustic materials that give it a nimbus of age. Clad in stones and with air conditioning and bioclimatic heating. The house has an incredible garden with native plants and is located in a very quiet area. There is an Arabian wheel for water extraction.

For swimming there are two options: the small beach of Manresa with its excellent water quality, only five hundred meters from the house or the pool with its purified by natural plants water.
